

CHANGE IN FILE STATUS
APPROVAL FORM

DATE January 21, 1987

CURRENT FILE NO. PRO/017/003

RECOMMENDED FILE NO. DOE/017/011

COMPANY AND MINE NAME Butterfly Mining Co., Butterfly Mine

REASON FOR CHANGE IN FILE STATUS

The Division has received the following applications from Butterfly Mining Company for their five acre claim on BLM land in the Henry Mountains:

September, 1978	MR-1
October, 1979	DOE
February, 1981	MR-1
October, 1983	DOE

None of the permit applications have ever been reviewed and none of the addresses in the applications appear to be current. The individuals involved apparently thought that they had to file with us in order to keep their claims up. An October 5, 1978 field inspection reported no mining activity on site. A 1983 copy of the proof of labor report listed \$8000 worth of site inspection and \$2000 worth of mineral extraction and research. I recommend that the proposal file be combined with the original DOE file and that the site be visited when we are in the area.
